## Favorite sport

Football • Badminton

## SHORT RESUMÉ

2020-2025

### Study University

SGU · HCM 📍

I'm in my 4th year at university and I'm about to graduate and right now I'm quite busy with work and school and I don't have much time for myself and my studies. depressed because of worry about work. I hope that in this final year I will complete my studies and achieve the best results
